 A Level I Trauma Center

Gilmore Center for  
 Health Education

# Trauma Nursing

## Core Course

The Trauma Nursing Core Course (TNCC) is a nationally standardized basic trauma nursing course developed by the Emergency Nurses Association (ENA) to establish a consistent knowledge base for nurses involved in the initial care of the trauma patient. Bronson is excited to offer this two day course designed for RNs to review specific areas of injury and other trauma topics through a combination of lecture presentations and skills stations.

### Prerequisites

It is recommended that RNs have at least six months of clinical emergency trauma nursing experience prior to attending this course. LPNs may audit the course, but will not receive credit or a completion certificate.

### Certification

Upon successful completion of the TNCC course, all participants will receive 14.42 CEUs from ANA. If successful in all testing, ENA will issue a TNCC verification card. The Emergency Nurses Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

### Course Preparation

Prior reading of the lectures is strongly recommended, paying particular attention to Initial Assessment Chapter 3 and the Skill Stations. Most successful participants have reported that additional study time is necessary to pass the sixth edition TNCC course.

## Course Schedule

### Day 1

7:15 a.m.	Registration
7:30 a.m.	TNCC and Trauma Nursing
7:45 a.m.	Mechanisms of Injury

### Faculty Disclosure Statement

All faculty participating in continuing education activities sponsored by the Emergency Nurses Association are required to disclose to the audience any relevant commercial relationships, and/or non-FDA approved use of a drug or device that is included in the presentation.

### Americans with Disabilities Act

In accordance with the Americans with Disabilities Act, please advise, Course Director, Eileen Negri at [negrie@bronsonhg.org](mailto:negrie@bronsonhg.org), if you have any disability that requires special materials and/or services so that appropriate personnel can be advised. Notice must be received in writing two weeks prior to the start of the course.

## How To Register

Fill out and mail the completed registration form and the course fee (check made payable to Bronson Methodist Hospital) to:

Education Services  
Bronson Methodist Hospital  
601 John St., Box 44  
Kalamazoo, MI 49007

Space is limited, so early registration is recommended. Applications are processed in the order they are received. Note: materials will not be sent until the course fee is received.

Registration closes four weeks before the class start date.

### Registration Fee

\$240 Includes course materials, lunch, and refreshments.

Fee must be received prior to materials being sent.

### Cancellation Policy

Students who cancel more than two weeks before a course will receive a full refund, minus the cost of books and materials if already sent.

Students who cancel less than two weeks before a course will receive a 50 percent refund and must re-register for any future course. When they re-register, those students can receive a credit for having the required books.

Students who fail to appear for a scheduled course or cancel within 24 hours of the course will receive no refund and must re-register for any future course. When they re-register, those students can receive a credit for having the required books.

If you have any questions or would like more information, please contact Bronson Support Registration at (269) 341-8934 or e-mail [lifesupport@bronsonhg.org](mailto:lifesupport@bronsonhg.org).
