# Pediatric Advanced Life Support (PALS)

May 7 and 8, 2012

October 1 and 2, 2012

Beaumont Hospital, Royal Oak • Administration Building Classrooms

Beaumont®

## Target Audience:

This course is intended for the healthcare providers whose primary focus or responsibility is the well-being of infants and children.

## Course Pre-Requisite:

A pre-requisite for the course is a current American Heart Association BLS certification. A copy must be provided with course registration.

## Course Objectives:

Participants attending the Pediatric Advanced Life Support course will:

- 1) Learn to recognize and manage the infant or child at risk for cardiopulmonary arrest
- 2) Learn strategies for the prevention of cardiopulmonary arrest in infants and children
- 3) Perfect the psychomotor skills necessary for resuscitation and stabilization of the infant or child.

Upon successful completion of the written exam and performance testing, participants will be certified by the American Heart Association as PALS providers.

## Homework:

**All participants must complete the pre-test contained on the AHA CD prior to reporting to class.**

## Registration Deadline:

Registrations and all accompanying documentation and fees must be received no later than **14 days** prior to each course. Registrations received without required documentation (copies of BLS certification and/or payment) will not be processed until all fees and required documentation is received.

### Provider Course schedule:

#### Day One:

7:40 a.m. – 5:00 pm

(Registration from 7:40 – 8:00 am)

#### Day Two:

8:00 a.m. – 4:30 pm

### Recertification Course schedule:

7:40 a.m. – 4:30 pm

(Registration from 7:40 – 8:00 am)

### Books:

Fees include the AHA PALS textbook for **Provider Course** participants.

All students must have the 2010 AHA PALS textbook at class. Participants without a book will be dismissed. Books are available to purchase for \$45.00, or are available to borrow from the hospital library.

### Fee Disclaimer:

The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association. Any fees charged for such a course, except for a portion of fees needed for AHA course materials; do not represent income to the Association.

### Disclosure Statement

All speakers have been asked to disclose any significant relationships they may have with commercial companies and these relationships will be disclosed prior to the course, if applicable.

### Cancellation Policy

Cancellations prior to the registration deadline (**14 days** prior to course) will receive a refund, however, course materials must be returned in their original condition or a fee will be deducted.

We reserve the right to cancel up to 30 days prior to the start of the course. In this case, all participant fees will be refunded in full.

For more information, please contact the Training Center Secretary at 248.898.1965.

### Course Location

Beaumont Hospital  
3601 W. Thirteen Mile Road  
Royal Oak, MI 48073

Courses are held in the Administration Building. Classrooms are on the lower level.

### Parking

Non-Royal Oak employees should park in the South Parking Deck. Royal Oak employees must park in an employee parking deck or surface lot.
